DMM Engineering/International Ltd

Regulation (EU) 2016/425 Module B, EU type-examination

Issue 1

PPE Product

DMM "Ghost" Aluminium connector with plain gate, product code A251;

DMM "Ghost" Aluminium connector with screwgate, product code A252.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to meet the applicable Essential Health and Safety Requirements in Annex II of Regulation (EU) 2016/425 Personal Protective Equipment

The following have been applied:

EN 12275:2013 (Mountaineering equipment – Connectors) for Type B connectors with strength ratings of \leftrightarrow 22, \updownarrow 7, 7 kN.

In addition, the screwgate model meets the requirements of

EN 362:2004 (PPE against falls from a height – Connectors) for Class B connectors with a minimum major axis strength claim of 22 kN with the gate closed & locked

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 19 (c) of the Regulation are implemented and maintained while the model is in production.

Certification is based on technical file reference: TF021, issue 1.
